## **Elden Ring Download (April-2022)**

*The vast magical world of the Lands Between where the lustre of the west and the burden of the east reside. A grand fantasy epic in which you can freely create your own character. Epic and intense battle system that will not only satisfy your thirst for action but also give you the chance to take advantage of everything around you. LET'S BEGIN!! NEXT ROUND: The Lands Between is a vast magical world. It was formed when the seven magisters of the eastern and western lands mutually arranged the marriage of two great magisters. The eastern*

*magister was a splendid person who liked to make westerns made from the metal known as steel the blood of westerns corrupted, and spread the corruptive blood of the westerns throughout the Lands Between. With a nation of metal and steel sleeping for four hundred years, the Lands Between has risen peacefully, or at least with relative peace. This is the early period of the game. You are a lord that has lost your senses in the Lands Between. You will be reborn in the game. The Lands Between is the region that has been infected by the blood of westerns, and the region's integrity is not as bright as the western lands. Even if you fight for the restoration of the Lands Between's integrity, this game will let you experience the overwhelming power of the party members. In the Lands Between, men and women are treated differently. "The Lands Between is a vast magical world. The eastern magister was a splendid person who liked to make westerns made from the metal known as steel the blood of westerns corrupted, and spread the corruptive blood of the westerns throughout the Lands Between.” - (GARY FROM THE BUNKER THOUGHTS) “In the Lands Between, men and women are treated differently. While in the western world, each man and woman have just one identity, each man and woman in the Lands Between have two different identities. You are not a man and you are not a woman.” - (ITATSUYA FROM THE BUNKER) “A day in the game is like a day in the western world. A day in the game is divided into four parts: the morning, afternoon, evening, and night.” bff6bb2d33*
